## Pricing for Glue-Bind Pre-Mailers

2-Way Mailers, Catalog Order Form Inserts, Comment Mailers, Perforated Reply Cards

A pre-mailer or glue-bind mailer is a form that has the edges of the sheet glued together to form a pocket. Usually it has a tear off return panel that is mailed back in the "envelope pocket" similar to a two-way mailer.

ECS can fold 3, 4 or 5 panels into a glued pocket with 1 or 2 perfs and a re-moisten gum strip all parallel with the folds. The piece can be double parallel or roll folded.

### GROUP A
