## Pricing for Standard Sizes with Letterpress Die Cutting & Converting

for critical register of bleeds and borders on folds

- Check the [Letterpress Sheet Size Guide](#) for the minimum sheet required.
- Remember to add the set-up to each job. Each project is custom and requires the machines to be set up specifically for your paper and printing register.
- Allow 3 to 5 days for production or call ahead if you need it faster.
- Call for help with square envelopes, special sizes and custom flap designs. Specially designed steel rule dies can be made in about 3 days.
